The Pro-Tek Universal 9-11” Keyboard Case with German language keyboard delivers laptop-like performance in a slim, protective design. Built to fit most tablets with 9-11” screens, the tablet is held snug and secure by the flexible cradle with protective reinforced corners for those inevitable fumble-fingers moments. For added protection, the structured cover is engineered with a semi-rigid, easy-grip exterior and fastens securely with its sleek magnetic closure.

Complete control is also yours with the Bluetooth 5.0 keyboard that magnetically attaches and offers up to 100 hours of battery life, and full access to ports, controls, and camera lenses. Compatible with Windows, Android, and iOS, it’s the perfect keyboard case to take with you anywhere.
