Stay organised, protected and connected with HyperPack. Built for travel and everyday use, HyperPack keeps your tech secure, dry and easy to access with a 1200D RPET polyester exterior, water-resistant interlocking zippers, and a fleece-lined suspended laptop pocket.

Stay one step ahead with smart details like a built-in silicone tracker pocket, triple-layer back padding for all-day comfort, and a luggage pass-through that keeps the bag steady while you move. Inside, three separate compartments and pass-through charging keep your devices powered and your gear in order. Designed with sustainability in mind, HyperPack uses the equivalent of 20 recycled water bottles and is built to handle daily use, travel and everything in between.
