displays where high-quality output is essential.

This docking station also supports USB Power Delivery up to 100W to charge your host device. The Gigabit Ethernet port delivers stable wired speeds up to 1000Mbps and includes Wake-on-LAN support for remote startup. All USB-C and USB-A ports offer SuperSpeed 5Gbps data transfer, while the SD 3.0 and MicroSD/TF 3.0 card slots allow simultaneous reading and writing.

With a durable aluminum housing for efficient heat dissipation, a 20cm cable, plug-and-play setup, and compatibility with Windows, macOS, ChromeOS and Android, the DONN06G is a reliable and versatile all-in-one expansion solution.
