Unlock full workstation potential with this high-performance 14-in-1 docking station. Designed for professionals who demand more, it supports triple extended displays on Windows via HDMI and DisplayPort with crisp 4K@60Hz resolution.

Stay connected and efficient with five high-speed USB ports (2 × USB-C, 3 × USB-A) delivering 5Gbps data transfer, plus SD and TF 3.0 card readers supporting UHS-I speeds up to 104MB/s. A Gigabit Ethernet port ensures reliable 1000Mbps wired connectivity, while a 3.5mm combo audio jack keeps communications clear.

Power your laptop with up to 100W via USB Power Delivery. The robust aluminum design offers excellent heat dissipation and includes a built-in security slot for added protection.

With Plug and Play setup, it's ready to streamline your workspace right out of the box. Whether you're creating, collaborating, or relaxing, this docking station is your all-in-one connectivity solution.
