R95,693

The MeetingBoard Pro combines video conferencing, display, and smart whiteboarding into a sleek, all-in-one solution with plug-and-play convenience and a clutter-free design. Delivering Pro View, Pro Sound, and powered by Pro Core, it features a triple 50MP camera system with advanced AI for precise tracking and a 16 MEMS mic array with AI-enhanced audio for crystal-clear conversations up to 12m. MeetingBoard Pro supports Android solution or Windows solution. Built on Android 13 with MDEP security and compatible with Teams, Zoom, and BYOD, it's the ultimate meeting solution, expandable with plug-and-play add-ons like 12x Pro PTZ cameras and extension mics.
