Your First Line of Defense, Evolved

The Defensor S guards the health of your back enabling you to game harder, for longer. Its integrated PushBack advanced lumbar support system lets you control just the right amount of pressure applied on your lower back, preserving the natural curve of your spine. The 4D folding armrests offer a choice between optimal arm support and unhindered movement; features such as high-density molding foam and a magnetic memory foam neck pillow prioritize your comfort. An evolution of the Defensor, the Defensor S features a deeper, wider seat, and is upholstered in leather-like fabric to improve breathability, wear resistance and feel more organic to the touch.

PushBack Support

The PushBack advanced lumbar support system helps maintain the natural lordotic curve of the lumbar spine. Integrated directly into the Defensor S, it lets you precisely adjust exactly how much

pressure is applied to your lower back, relieving pressure on your spinal structure by encouraging orthopedically sound alignment.

Magnetic Memory Foam Neck Pillow

Equipped with a Magnetic Memory Foam Neck Pillow, the Defensor S lets you easily position the pillow to your exact preference. The memory foam conforms to your body's shape, relieving pressure on your neck and making sure you stay healthy through those long gaming sessions.

High-Density Molding Foam

High-density molding foam contours closely to your back's shape over time for superior comfort and robust support.

4D Folding Armrests

Originally developed for the official COUGAR x VCT 2024 gaming chair and rigorously tested in the esports arena, the 4D folding armrests support the arms when needed or can be fully folded back, clearing space for players who prefer maximum arm mobility.

Removable velvet sleeves soften the 4D folding armrests with a warm, softer feel.

How to Use the 4D Folding Armrests

Refined Upholstery

Upholstered exclusively in leather-like fabric, the Defensor S delivers a smooth, tactile finish that balances durability with premium appeal. This advanced material is breathable, resists wear and feels organic and supple to the touch.

Enhanced Seating Experience

The Defensor S features a reengineered seat — deeper, wider, and built for better weight distribution. This updated foundation improves sitting stability while enhancing ergonomic support across longer periods of time.
