Integrated protective cap for your convenience

Never lose your cap again! The protective cap is integrated into the product design, so it will always stay attached to the USB stick. To bring it into use, you only have to turn the cap backwards. Just plug and play!

Trendy and colorful

Pick your trendy colour: dragon green, electric blue, smokey grey, ultraviolet purple or sunrise orange. Store and share your data with style.

Pocket sized storage

Pocket sized storage that allows you to carry all your favorite music, videos and photos with you wherever you go.

Activity indicator lights up when copying files

An appealing LED indicator shows you the drive is properly connected and working, and pulsates faster when copying files to or from its memory.
