Compact desktop scanner

Compact A4 scanner with a small footprint while in use, versatile media handling and low power consumption.

The scanner's U-turn path position allows paper to be scanned without adding to the footprint of the device. Switch to straight path mode to scan passports and booklets up to 5mm thick. Paper protection technology ensures that the original documents remain pristine. Made from up to 30% recycled plastics* and with a low power consumption, it also has a lower environmental impact.
