EAN: 5711428068040

Product Code: 1626015

R1,401

Lynge MagSafe ICON combines function and refined design with responsible materials. Made from dbramante1928’s ICON material, it offers a soft-touch finish and resists stains, scratches, and pen marks. Featuring built-in MagSafe-compatible magnets and a detachable snap-on case, it adapts from a wallet folio to a slim protective case. Crafted from GRS-certified recycled materials and fully recyclable, this wallet features 3 card slots, a note section, and a magnetic side closure for a secure fit, along with a custom slim profile.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
