Bosch AdvancedShear 18V-10 cordless grass shear 10 cm Lithium-Ion (Li-Ion) Black, Green

Model: 0600857001

Manufacturer: BOSCH

EAN: 4059952558417

Product Code: 1627807

R2,563

Superior performance and manoeuvrability for effortless shaping and trimming

The versatile cordless AdvancedShear 18V-10 is designed for single-handed use, offering blades for shaping and maintaining or edging and trimming. Due to its 18V POWER FOR ALL battery, it provides the strongest cutting performance in its range. The patented Anti-blocking system and the Swiss-made dual-action blades ensure impressive precision as well as continuous cutting with no jamming

on thick branches. Capable of up to 70 minutes of battery runtime, this grass and shrub shear makes working towards the perfect garden even more convenient.

Changing blades: it’s just a click away

With Bosch’s multi-click blade exchange, switching between the desired blade attachments is easy and done in next to no time.

Clean and precise trimming

High-quality performance cutting: the Swiss precision blades are dual-action laser-cut and diamond-ground, allowing for sharp, high quality cuts for a perfect cutting performance and highest durability.

Continuous cutting without interruptions

Trim thicker branches without interruptions thanks to Bosch Anti-Blocking System for non-stop cutting and faster results.

Clear view on battery charge level

The charge level indicator displays the battery charge level, so as not to give unexpected power interruptions or charging delays.
