

Conceptronic 3-Port 67W GaN USB PD Charger with USB-C Charging Cable, USB-C x 2, USB-A x 1, QC 3.0, PPS

Model: ALTHEA17B

Manufacturer: CONCEPTRONIC

EAN: 4015867236512

Product Code: 1628216

R1,431

This charger leverages advanced Gallium Nitride (GaN) technology to deliver up to 67W of total power, ensuring faster and more efficient charging for your devices. It features a versatile port selection with 3 ports: 2 USB-C ports equipped with Power Delivery (PD) 3.0 and 1 USB-A port with Quick Charge (QC) 3.0. This setup allows for simultaneous charging of multiple devices with varying power requirements. The charger supports a broad range of output options from 3.3V to 20.0V, making it compatible with a wide array of devices, from smartphones to laptops. Enhanced safety is provided through built-in protections against overload, short-circuiting, and overheating.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
