Sit Smart. Live Better.

The COUGAR Stryder is built for how you work and play — at your desk, in your home, and in step with your everyday rhythm. Designed for hybrid spaces and real-life multitasking — from working remotely and editing media to unwinding with a game or a show — the Stryder doesn’t ask you to choose between comfort and function. It simply delivers both.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
