R1,043

Product information "HD USB webcam with microphone" from LogiLink

The LogiLink HD USB webcam with microphone makes it easy for you to get in touch with your relatives and make video calls. So stay in touch and enjoy time with your family and friends, whether you are studying or working abroad. The 30 frames per second 720p HD video provides true-to-life clarity on Android TVs. Simply attach the camera to any place you like; clip it to LCD screens, laptops, tabletops or mount it on your own tripod.

The HD USB Webcam with Microphone makes getting in touch with family and friends simple while providing crystal clear video calls. Close the gap and stay connected whether you’re studying or working abroad, or just stuck inside.
