The special edition ROG Cosmic Bomber Jacket features interchangeable ROG pattern labels on the front and sleeves, and decorative key chain on the left sleeve. The back has a huge ROG planet logo and Tyvek label. A 100% nylon outer shell and 100% polyester inner lining, with a regular fit design, make the ROG Cosmic Bomber Jacket perfect for keeping you trendy no matter the temperature.

ROG Cosmic Bomber Jacket: Unique Design

The ROG Cosmic Bomber Jacket comes in a black and grey combination, featuring an embroidered cosmic graphic on the back. Users can customize their look with the six interchangeable hook and loop ROG graphic labels on the front and sleeves. A keychain on the left sleeve adds to the style. The Tyvek®label on the back is waterproof and untearable.

Keeps you warm

Made with a water repellent 100% nylon outer shell and 100% polyester inner lining, the ROG Cosmic Bomber Jacket maintains body temperature and keeps out the cold.
