One cable for all your devices

Supports fast charging up to 60W

2 meters

Tested to survive up to 30,000 bends

Ultra-soft and tangle-free

Convenient cable strap

Made from 100% post-consumer recycled materials

Enhanced durability

Introducing the empower by PanzerGlass® Racing Cable Series – where reliability meets speed! This durable, heavy-duty braided cable boasts a **30,000-bend lifespan**. Carefully designed to ensure durability and guarantee a long life.

Need for speed!

The empower by PanzerGlass® Racing USB-C to USB-C Cable features an **ultra-soft and durable silicon interior** paired with a braided outer cable sheath for durability and a **premium** feel. Convenience is key. Keep the cable organized when not in use with a handy strap. And the best part? It's made from **100% post-consumer recycled (PCR) materials**.

The faster charging means you'll spend less time waiting and more time doing what you love.

We make extraordinary accessories that empower people to connect with friends, family, colleagues and technology every day.
