R2,812

Flexible and comfortable edging, trimming, and other lawn maintenance

Tidying small to medium-sized gardens is quicker and more comfortable when using the UniversalGrassCut 18V-26-500 grass trimmer. Thanks to its ergonomic design and flexible functions, this cordless trimmer can be manoeuvred naturally to ensure correct posture for all users. The telescopic shaft can be adjusted easily by twisting the clamp. A simple tap and twist of the upper handle activates the edging function. When cutting grass or weeds underneath benches, hedges, or other confined spaces, the trimmer head can be tilted for easier access, flexible navigation, and precision. With a POWER FOR ALL 18V 2.5 Ah battery, this impressive garden trimmer has the capacity to trim the edges of up to six tennis courts. It is the ideal garden tool for edging, trimming,
