The Equip 245123 6-Button Dual Mode Wireless Mouse offers exceptional flexibility and performance for both work and leisure. Featuring dual connectivity options—Bluetooth and 2.4GHz wireless—it allows you to effortlessly switch between two devices, such as a laptop and desktop PC, with a single click. This makes it ideal for multitasking professionals, students, and mobile users who need reliable control across multiple systems.

Equipped with six responsive buttons, including forward and backward navigation keys, it enhances productivity by enabling quick web browsing and efficient workflow management. The high-precision optical sensor provides adjustable DPI levels for smooth, accurate cursor control on various surfaces. Its ergonomic, symmetrical design ensures comfortable use for both left- and right-handed users, even during extended hours.
