Equip Wireless Charger, 10W

Model: 245501

Manufacturer: EQUIP

EAN: 4015867222713

Product Code: 1629832

R845

This wireless charger is the ideal solution for charging your Qi-enabled devices or any device with a Qi receiver. The charger is conveniently cable-free, automatically charging devices by simply placing them on the charger. An ultra-slim design and aluminum shell ensures efficient heat dissipation. Foreign-object-detection (FOD) and the LED indicator provide safe operation, stopping the charging process when any foreign metal object is placed on the charger. A great companion for your desk!

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
