Break some bricks with the Mario Bricks Rematch Wireless Controller for Nintendo Switch™, Nintendo Switch™ Lite, and Nintendo Switch™ – OLED Model. This controller also works with Nintendo Switch™ 2 – C Button not available. Featuring a lenticular design that shifts as you move, two bold brick-themed Mario visuals are revealed that add energy and motion to every session.

Built-in motion controls let you steer, jump, and aim with natural precision in games like Mario Kart™ World and Super Mario™ Odyssey. The shifting artwork design responds as you play, creating a more immersive and animated experience. Upgrade your game with this officially licensed Nintendo® controller.
