Introducing Fur Fluffs: fluffy interactive pets looking for their fluff-ever home! These super cute toys for kids feature over 100 exciting sounds and reactions and have a surprise pet reveal! Hidden inside a soft pink fluff is Purr 'n Fluff. Play with your shy and timid Fur Fluffs toy to encourage her out of hiding and earn her trust. You can pet, roll, shake, toss and turn her upside down – when your fluff is feeling more comfortable, she reveals her ears! Keep playing, and her eyes will peek out, too! Once Purr 'n Fluff fully trusts you, you'll hear the celebration song and she'll transform from fluff to pet! As

you play, you'll unlock Purr 'n Fluff's sweet and silly personality. With so many sound effects and reactions, you never know what adorable response you'll get! This little fluff loves to eat, roll, snuggle, dance, sing and more. There are so many ways to play in both fluff and pet mode! She purrs and coos when pet, giggles and wiggles when tickled and gets dizzy if shaken. Toss your new friend in the air or turn her upside down to see her somersault! In fluff mode, feed her and scare away hiccups, play a game and more. You can even have a dance party with your Fur Fluffs! Tilt your pet left and right to play music and touch Purr 'n Fluff's head to hear her sing. Shake, toss and tilt your pet for even more music sounds, like a cute high note! At any time, transform your Fur Fluffs pet back to fluff, or change from fluff to pet again and again. For more fluffy fun, look for Fur Fluffs Pupper-Fluff (sold separately)! Fur Fluffs toys are perfect for pretend play and make great birthday gifts, Christmas gifts or gifts for kids aged 5 and up for any occasion. Each Fur Fluffs measures approximately 7 in. in diameter. Includes 3 AA batteries. Discover the sweetest surprise with Fur Fluffs!
