

ASUS USB-C2500 V2 Ethernet

Model: 90IG0A60-MW0L0V

Manufacturer: ASUS

EAN: 4711636101585

Product Code: 1634851

R1,348

USB-C 2.5G Ethernet Adapter compatible with 2.5G/1G/100Mbps networks

Experience 2.5Gbps Speed with Stable,

Seamless Connectivity

ASUS USB-C2500 V2 delivers up to 2.5Gbps ultra-fast, stable networking—2.5x faster than standard Gigabit adapters. Compatible with USB-C and major operating systems including Windows, macOS, and Linux, it's a simple way to upgrade your NAS, laptop, or desktop for a faster, more reliable wired connection.

* Cat5e or higher Ethernet cables are required for optimal 2.5Gbps performance.

Sleek, Compact Design for Easy Portability

The ASUS USB-C2500 V2 is a compact and convenient network accessory for home, work, or travel. Its palm-sized design and built-in 10cm cable make it easy to carry and use on the go. Whether you're working remotely, streaming media, or transferring data, it provides a reliable and space-saving solution for stable wired connectivity wherever you are.

Instant Network Insight with LEDs

The USB-C2500 V2 comes with intuitive LED indicators that let you easily check your network connection status at a glance. These LEDs offer real-time feedback, helping you quickly identify and resolve network connectivity issues.
