Zyxel CX4800-56F Managed L3 1U Black

Model: CX4800-56F-EU0101F

Manufacturer: ZYXEL

EAN: 4718937637034

Product Code: 1635370

R159,442

Future Proof Aggregation & Core Switch

The CX4800-56F supports a full suite of Layer 2 features, including VLAN, ACL, port aggregation, and 802.1X, to enhance security by preventing unauthorized access to cloud resources and AI workloads, optimize bandwidth for high-speed GPU data transfers, and enable dynamic, isolated workload environments in large-scale AI and cloud deployments.

Nebula, The Intelligent Cloud Management

Nebula offers comprehensive monitoring and reporting capabilities, including real-time notifications for critical events via email or the mobile app. With Nebula, you can enjoy a streamlined experience for network installation and management without the need for additional costs for software or hardware controllers.

Dedicated Networked AV Mode

The CX4800-56F features a custom-designed networked AV mode for standalone operation. It supports 10G Ethernet with pixel-perfect 4K60 video streaming in real-time, making it ideal for applications ranging from live events to XR and medical imaging. Leveraging AI intelligence, the switch simplifies the setup process by automatically configuring all necessary parameters, enabling a professional AVoIP deployment within minutes.
