R1,467

The Photo Cube and XLBoom Frame Creative Pack lets you store and display your favourite photos. Small enough to place around your home, the photo cube lets you store and display photos using the supplied double-sided tape to decorate the box. You can even give the box to family and friends as a gift. This creative pack includes an XLBoom Magnetic Frame 13 x 13 cm, which is a great way of decorating your home with your favourite photos. Perfect for social media printing, this creative pack lets you get started straight away with 40 13x13 cm sheets of square Photo Paper Plus Glossy II which allows you to get more creative with your printing.
