PATCHBOX Patchcatch Solo (24-Pack)

Model: PBCSX24K

Manufacturer: PATCHBOX

EAN: 4262427631199

Product Code: 1637747

R2,251

Fasten Devices and Manage Cables in One Go

The Patchcatch Solo combines fast device fastening with clever 0RU cable management—especially for racks with tight space.

Replaces Cable Managers & Cage Nut Screws

Manage cables and secure hardware across up to 12 RU with a single 24-pack–instead of wasting rack space with conventional cable managers.

Free Up Valuable Rack Space

One 24-pack replaces 48 screws and 12 cable managers—giving you up to 50% more usable rack capacity.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Works with M6 Cage Nuts and PATCHBOX Products

Fully compatible with M6 cage nuts, the /dev/mount, and the Mounting Rails of the patchbox.one and PATCHBOX.

Easy Fastening, No Tools Required

Install by hand and secure your devices quickly. Perfect for constrained spaces like the front edge of cabinets.

Built to Stay Strong

Made from robust materials and backed by a 10-Year Warranty to ensure longevity and reliability.
