Product Code: 1637833

R5,671

The TD-2125NWB is the perfect label printer for hospitality, warehousing, manufacturing and retail, where you need to be able to print high-quality receipts, labels or wristbands at your desk or on the move. Ideal for printing stock rotation labels, pre-packaged food ingredients labels, barcode labels, specimen, pathology and phlebotomy labels and shelf edge labels. A compact machine with the speed, features and media capacity of a desktop printer, the TD-2125NWB allows you to print professional quality custom labels, wristbands or receipts at 203dpi, wherever you are in the workplace. The built-in network, WiFi and bluetooth connectivity provides the flexibility to print wirelessly, or by using the available apps on your smartphone or tablet. Printing from your existing
