Print quotations, invoices, and other reports whilst on the move and streamline the work of field sales, field service, logistics, delivery and the emergency service sectors. The PJ-863 supports both charging and data transfer via USB-C, as well as Bluetooth connectivity to provide a mobile A4 print solution which is compact enough to fit easily into a briefcase or computer bag, but that can also be permanently installed in vehicles. Thermal print technology at 300x300dpi produces high-resolution, crisp text at a print speed of up to 13.5 pages per minute. Compatible with a wide range of mobile and desktop operating systems, the PJ-863 can easily be integrated into your own apps and software using the various SDK's (Software Development Kits) available. Also supports a variety of printer command languages, including ZPL2 emulation.
