

Canon Black Label Zero FSC printing paper A4 (210x297 mm) 500 sheets White

Model: 99840554

Manufacturer: CANON

EAN: 8713878000615

Product Code: 1638043

R1,750

Black Label Zero is a perfect paper which is produced carbon neutrally and is a quality paper, suitable for laser, toner and inkjet printers. Ideal for black-and-white as well as spot colour applications. Black Label Zero is made using the most modern filler and fibre technology. The filler and raw materials, production speed and dehydration are carefully monitored to give ideal stiffness and calliper, plus outstanding homogeneity for high-speed copying and printing.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
