Model: HD2VGAE2

Manufacturer: STARTECH

EAN: 065030850926

Product Code: 1638324

R1,321

Connect an HDMI® equipped Laptop, Ultrabook, or Desktop Computer to your VGA Display, or Projector

The HD2VGAE2 HDMI® to VGA adapter allows you to connect an HDMI output from your laptop, ultrabook, or desktop computer onto a VGA monitor or projector, saving the cost of upgrading to an HDMI compatible display. Intended for outputting user generated content such as presentations, and work documents, the HDMI to VGA converter can also work to increase your productivity by extending your computer's desktop onto a secondary monitor, doubling available workspace.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

With no need for an external power source, and support for resolutions up to 1080p (1920x1080), this active HDMI to VGA adapter offers a compact and portable solution for connecting a High-Definition VGA display.

Looking for an HDMI to VGA coverter for your Chromebook? Use the HD2VGAMICRO.

The HD2VGAE2 HDMI® to VGA Adapter is backed by a StarTech.com 3-year warranty and free lifetime technical support.
