10 Pack SFP Dust Cover for Open SFP/SFP+ Slot - SFP Plug - Fiber Optic Dust Caps - SFP Port Anti-Dust Cover - Network Switch Port Protector - Durable TPE Material w/Pull Tab

This 10-pack of SFP dust covers provides an inexpensive way to protect your network switches and fiber optic equipment from dust and contaminants, by covering the exposed and unused SFP slots.

Protect your network equipment investment

Simply insert the dust covers into any empty SFP/SFP+ slots in your network switches. Made of Santoprene™ thermoplastic rubber (TPE), the durable dust covers keep out dirt and dust, protecting your networking equipment against contaminants that could cause connection issues. A handy tab makes it easy to insert and remove the SFP dust covers.

The SFPCAP10 dust covers are backed by a StarTech.com 2-year warranty and free lifetime technical support.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
