Model: UA0370

Manufacturer: LOGILINK

EAN: 4052792061338

Product Code: 1638706

R1,762

Product information "USB 3.2 (Gen 1) Docking Station, 10-Port, w/PD, mini, black" from LogiLink

The UA0370 from LogiLink connects a USB-C enabled computer with up to 10 peripheral ports via one cable. The special USB-C-PD port ensures that your laptop is charged while simultaneously supplying power to any external device. The RJ45 Gigabit Ethernet network port ensures stable and fast network transmission. You can also enjoy Ultra-HD-4K resolutions up to 3840x2160 with an HDTV monitor or projector.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
