

Philips Hue Secure Flood Light Camera

Model: 17770300

Manufacturer: PHILIPS

EAN: 8720169177703

Product Code: 1638758

R7,202

Easy smart lighting

Get powerful, colourful light, an integrated 1080p camera with night vision, and the ability to see what's going on and control the light right from the Philips Hue app. Mount it outside to monitor your home in real time — and then trigger an alarm to warn off potential intruders.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
