Scanning made easy: with the 10.9cm touchscreen you can scan wirelessly direct to network and cloud folders, email addresses, or attached USB memory stick - no computer required.

Save time

Double-sided scanning in a single pass, 100-sheet auto document feeder and scan speeds of 35ppm/70ipm mean you'll be able to complete your work quickly and save time.

Flexible scanning

Scan direct from the scanner’s touchscreen and create customisable presets and layouts without the need for a computer. You can also scan and share using your PC or Mac, with Epson ScanSmart software or use your phone or tablet with the Epson Smart Panel app.

Intelligent

Intelligent colour and image adjustments - auto crop, skew correction, blank page and background removal with Epson’s Image Processing Technology.

Peace of mind

With inbuilt sensors for paper jams, double-feeding, and dirt-on-glass detection, all documents are kept safe and scanned to the highest quality.

Versatile

Scan anything between 27-409 gsm, including receipts, business cards, plastic cards and more, producing high quality digital files.
