match any performance. Perfect for long sessions, they provide up to 15 hours of playtime, ensuring the ultimate at-home karaoke experience.

Bring the stage to your living room

Enjoy rich echo and reverb effects with minimized background noise and howling, thanks to a built-in professional karaoke DSP chip, making every performance sound studio-quality.

Crystal-clear vocals

Experience low latency of under 40ms for perfect synchronization with your music and video, preventing distorted vocals or delayed audio.

Six sound modes

Choose from six versatile sound modes—Concert, Studio, Bar, Opera, Outdoor, and Standard—to perform real-time duets and set the perfect vibe for any occasion.

Lightweight and easy-to-use

Effortlessly connect via a USB dongle. Simply plug it into any Epson Lifestudio smart projector. Enjoy your karaoke lyrics on the big screen.

Up to 15 hours of continuous entertainment

Enjoy up to 15 hours of playtime, with exceptional audio and stunning big-screen visuals for the ultimate at-home karaoke experience.

Eco-conscious and caring

Epson, the world leader in projectors since 2001, offers highly reliable, low-maintenance products—backed by a 1-year warranty for added peace of mind.*
