Designed for Comfort. Built to Last.

The ROG Chariot X features high-density cold-cure foam wrapped in premium PU leather ensure long-lasting durability. Its all-steel frame is designed to go the distance, and rolls on PU-coated casters for smooth, swift movement, with little risk of damaging floors.

Aura RGB Lighting

Illuminate ROG Chariot X in up to eight striking colors and with seven preset effects, through the integrated infinity mirror and rear-side ROG logo. Your light show’s brightness can be set at one of three intensity levels, and is easily managed by an IPX4 splash-proof intuitive one-touch controller. Just attach your own power bank*, and light your way to victory.
