ROG Destrier Core ergo gaming chair with futuristic cyborg aesthetic, versatile seat adjustments for the perfect posture, mobile gaming arm support mode, and crafted from durable polyamide nylon and breathable mesh for comfortable marathon gaming sessions

Cyborg-Inspired Design

The ROG Destrier Core inherits the look of a cybernetic exoskeleton, adding a futuristic edge to any gaming setup.

Perfect Fit

The ROG Destrier Core is extremely adjustable, so every aspect of it molds perfectly to your body.

Made For Mobile Gaming

A special mode designed especially for mobile play allows the armrest to be raised by up to 14 cm, elevating your arms to the ideal height for handheld gaming – while 360° rotation enables infinite fine-tuning for total comfort.

Crafted From Durable Materials

The ROG Destrier Core is engineered for both well-ventilation and comfort, with a durable nylon frame, 75mm silent caster, breathable mesh cradle in classic black and soft PU foam padding – all contributing to keep you supported to any of your posture even in long-term gaming sessions.
