

Equip Ergonomic Monitor Stand with USB (USB-A x 4, USB-C x 1)

Model: 650883

Manufacturer: EQUIP

EAN: 4015867242308

Product Code: 1639594

R1,428

The Equip 650883 Ergonomic Monitor Stand with USB ports is designed to enhance your workspace by combining functionality, comfort, and connectivity. Elevating your monitor to a more comfortable viewing height, it helps reduce neck and eye strain during prolonged computer use. The stand also maximizes your desk space with additional room underneath for storing accessories such as keyboards, notebooks, or other office essentials.

Integrated with a built-in USB hub, this monitor stand offers four USB-A ports and one USB-C port, enabling convenient access to power and data for your peripherals—perfect for connecting flash drives, smartphones, or other USB-powered devices without the need to reach under your desk. The hub supports USB 3.0 data transfer rates up to 5Gbps, ensuring quick and efficient file transfers.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
