

TERRA 2050004 mounting kit Black

Model: ID11-100411

Manufacturer: ID11 GMBH

EAN: 4251265604113

Product Code: 1639636

R1,132

With this universal mounting, you can fix small devices, like TERRA PC-Mini V1-V3*/ PC-Micro, Nettop 3030*, Nettop 3540*, Intel NUC, Gigabyte Brix, Shuttle XPC nano and Shuttle XPC slim on monitors with VESA 100/75 mm mount and M4 thread. The holder is either between an existing stand mounted or separately to the VESA mount of the monitor.

High-adjusting function of TFTs is still usable.
