Motorola AN480 RFID Antenna network antenna Directional antenna N-type 6 dBi

Model: AN480-CR66100WR

Manufacturer: ZEBRA

EAN: 4054842366745

Product Code: 1639994

R5,744

This single port antenna offers the maximum flexibility and performance required to meet the needs of enterprises around the world. Compatible in virtually any global market, Motorola's AN480 can be installed throughout the enterprise from the manufacturing and warehouse floors to the dock doors and outside in the yard.

The AN480 antenna offers the environmental sealing required for indoor and outdoor use. Its extremely low axial ratio delivers a more uniform gain for superior performance.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
