### Sit-stand Workstation

#### Wall mounted

**Ergonomic Flexibility** - The IB-WS700-W Sit-Stand Workstation is wall-mounted to save space and offers excellent ergonomic flexibility. Its adjustable height and tilt features let you customize your working position, reducing strain and improving posture.

**Easy Adjustments** - With Smart Torque Adjust™ technology and a gas spring counterbalance, adjusting your monitor's height and angle is a breeze. Quickly find your ideal viewing position to minimize eye and neck strain for a more comfortable workday.

**Organized Workspace** - Featuring smart cable management, the IB-WS700-W keeps your desk area tidy and professional. A foldable keyboard tray further enhances organization, reducing distractions and improving focus for a more efficient work environment.

## Ergonomic flexibility

The IB-WS700-W Sit-Stand Workstation, wall-mounted for space-saving, provides excellent ergonomic flexibility. Its adjustable height and tilt features let you customize your working position, helping to reduce strain and improve posture throughout the day. Enjoy a more comfortable and productive workspace with this adaptable setup.

## Easy adjustments

The Smart Torque Adjust™ technology and gas spring counterbalance make it easy to adjust your monitor's height and angle. This ensures you can quickly find the perfect viewing position, reducing eye and neck strain. Plus, smooth adjustments help you stay comfortable and focused throughout your workday.

## Organized workspace

The IB-WS700-W includes smart cable management to keep your desk area organized. With cables neatly hidden and a foldable keyboard tray, your workspace remains clear and professional. This thoughtful design helps reduce distractions and improve focus, creating a more efficient work environment.
