ICY BOX IB-MSA106-HH Passive holder USB hub Black

Model: IB-MSA106-HH

Manufacturer: ICY BOX

EAN: 4250078171638

Product Code: 1640230

R859

Not only for socket strips

The ICY BOX holder can accommodate all connector strips that make work easier, whether socket strips, hub strips or other useful helpers. As long as the part to be attached corresponds to a height of 40 - 60 mm, the IB-MSA106-HH keeps it in a firm grip!

Cable management

The supply cables for your connector strip can be conveniently hidden in the background on the back of the holder. The cable guide is large enough to hold several cables securely at the same time.

Whether thick or slim
