

Equip Card Reader with USB 3.0 Hub, OTG

Model: 245460

Manufacturer: EQUIP

EAN: 4015867227237

Product Code: 1641153

R870

The equip 245460 Card Reader with an integrated USB hub (OTG) can either be connected to your smartphone, tablet or notebook. This allows you to access inserted storage media such as USB sticks, SD or MicroSD memory cards. You can connect the device via the hub's USB A (USB 3.0) or the USB-C™ plug.

Plug and Play, there is no need for any driver or app installations.

The USB hub and memory card reader can be used simultaneously, can be copy or move files between Hub and Card reader 2 slots.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
