The Verbatim Universal Travel Adapter can be used in more than 180 countries – take it everywhere with you and never be out of power. This world-to-world multi plug will allow you to connect to any local power supply around the world and recharge your power-hungry devices, like laptops and camera batteries. The USB-C and USB-A ports on the bottom can charge all your USB devices including smartphones, Bluetooth speakers, tablets, power banks, and Kindles.

Superfast 6-in-1 charging

The compact and powerful Universal Travel Adapter allows six devices to be charged simultaneously through the AC power socket and the two USB-A and three USB-C ports.

With a high-power USB-C port that supports 61W Power Delivery (PD) and Quick Charge (QC) 3.0, it delivers superfast charging.

Just push the sliders on the side of the multi plug to reveal the three most common international plugs - EU, UK, and US - and rotate the pins for sockets in Australia or China.
