ROG Courser Core

Adjust for Unmatched Comfort

The ROG Courser Core is a premium gaming chair that elevates any gaming experience. Featuring the innovative ROG Dynamic Synchronized Recline system with flexible 90°–155° range, the Courser ensures ultimate comfort in any position. In addition to adjustable lumbar support with a cold-pressed thermoplastic polyurethane (TPU) back pad, the chair features 360°-swivel 4D armrests and a detachable magnetic headrest — all working in unison to provide the ideal gaming position. Plus, the generous 55-centimeter-wide seat allows users of all sizes to settle in for marathon gaming sessions.
