Organise your business or worksite with the DYMO Rhino 5200 Industrial Label Maker. This label maker features a familiar keyboard layout and an extensive library of symbols and pre-programmed industry terms to simplify professional labelling applications. Create and format labels with hot key shortcuts, save individual label formats with a custom key, and easily pull up your most frequently used labels with the favourites key. Designed to print on a wide variety of label tapes, the DYMO Rhino 5200 Industrial Label Maker helps make any industrial labelling job easy.
