Introducing the most thrilling addition to the XSHOT Insanity arsenal: the Smoking Barrel. Watch as the blaster springs to life, emitting captivating smoke and lighting up each time a dart is fired! Elevate your blaster battles with friends, launching Air Pocket Technology darts up to 90 ft/27m and making a dramatic statement with the smoking barrel as your ultimate finishing move. Where there's smoke, there's epic blaster action! Connect this innovative blaster with the rest of the Insanity range to create INSANE combos for a truly unmatched, NEXT LEVEL, and insanely cool experience. The more blasters you add to your Insanity arsenal, the more action-packed and exciting the fun becomes! Perfect for outdoor or open spaces this blaster will enhance your performance. With darts flying up to 90 feet the Smoking Barrel is recommended for ages 8+.
