Dependable 4G Wi-Fi Internet Connectivity

The TL-MR100-Outdoor supports 4G LTE for internet download speeds up to 150 Mbps, paired with fast Wi-Fi speeds of up to 300 Mbps, enabling seamless networking experience.

Durable Outdoor Design for Stable Performance

Engineered for extreme environments, TL-MR100-Outdoor features IP65 waterproofing, operates from -30°C to 60°C, and 6kV lightning & 15kV ESD protection. Maintains uninterrupted connectivity in harsh weather conditions, delivering stable outdoor network performance.

Versatile Installation for Diverse Environments

The TL-MR100-Outdoor offers versatile installation options—mount on a pole or a wall, or adhesive to a window. This flexibility allows for installation in a wide range of environments, from urban areas to rural settings. Easily find the best location for optimal signal, ensuring reliable connectivity.

PoE/DC Power Support: Simplified Outdoor Setup

The TL-MR100-Outdoor features PoE and DC power supply, simplifying outdoor setup with flexible power options and ensuring reliable connectivity in diverse outdoor environments.

Easy Setup and Management

Set up TL-MR100-Outdoor in minutes thanks to its intuitive web interface and the powerful Tether app. Tether also lets you manage its network settings from any Android or iOS device, including parental controls and access control.
