Equip USB 4 C to C Cable, 0.5m, PD3.1 240W, 8K/60Hz, 40Gbps, Black

Model: 128380

Manufacturer: EQUIP

EAN: 4015867243879

Product Code: 1642299

R888

The 128380 USB4 C to C cable is engineered for ultra-high-speed data transfer, advanced display output, and high-power charging through a single USB-C connection.

Built on USB4 technology, it supports data transfer speeds of up to 40Gbps and is compatible with Thunderbolt 3 and Thunderbolt 4 devices. The cable enables seamless connectivity between laptops, tablets, smartphones, external SSDs, docks, and high-resolution displays, with video output support up to 8K at 60Hz via DisplayPort 1.4a and DP Alt Mode.

Equipped with an integrated E-marker chipset and Power Delivery 3.1 support, the cable delivers up to 240W (48V/5A), making it suitable for power-hungry laptops and professional devices. Premium braided cotton mesh, double shielding, and an aluminum housing ensure stable performance, signal integrity, and long-term durability.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
