Targus ASP001GLX cable lock accessory Plate Silver 1 pc(s)

Model: ASP001GLX

Manufacturer: TARGUS

EAN: 5051794033502

Product Code: 1642369

R1,006

Keep your devices secure with the Lock Slot Adapter. Designed for use with devices and monitors without a security lock slot – like a tablet or MacBook® computer, the lock adapter can be easily and securely attached to the device’s flat surface with the included 3M® adhesive strip.

Once attached, use any Kensington® T-bar™ cable lock (sold separately) to secure your equipment and prevent theft – perfect for retail and open business environments.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
