"The equip® ERGO Electric Sit-Stand Desk Frame creates your own desk space that lets you stand up during the long workday with an electric height adjustable frame. Periodically standing throughout the day can help relieve tension on the neck, back, and shoulders, as well as increase blood flow and reduce stress. Enjoy being able to stand up in seconds with this sturdy frame featuring a dual motor lift system for smooth height transitions, telescopic height adjustment for ideal ergonomic viewing, touch control for customizable settings and convenience, and solid leg support for desk surfaces weighing up to 275 pounds (125K).
