This Masters of the Universe New Eternia action figure of King Randor is designed at Masterverse 7-inch scale with 30 points of articulation. This collectable authentic MOTU design includes a kingly scepter and soft goods cape and a crowned hair look that can swap with the included helmet. The royal blue 'jewel' design is carried from the crown to the helmet, sword, shoulder and arm armor and belt. A sword attaches to the scepter to form a long spear. This noble king and warrior comes beautifully packaged in a window box suitable for display. This New Eternia King Randor makes a great gift to start or build a MOTU collection. Colors and decorations may vary.
